

BELL FAMILY REPRODUCTION FOR 2005

The Nicodemus Center will be offering the sixth piece in its annual series of Bell family reproductions this fall. The series features one reproduction per year in a limited edition of 150. This year's piece is being created by ceramist Jack Handshaw, Fairfield. Orders may be placed by using the form below or by e-mailing the center at jms48@psu.edu. The cost is \$45 per piece plus \$2.70 sales tax for center members and \$50 plus \$3.00 sales tax for nonmembers. After November 1, orders for the reproductions will also be available to the general public at a cost of \$55 plus \$3.30 sales tax.

This year's reproduction is an earthenware pitcher, measuring 5 inches in height and 3 inches in diameter at the base. The original—lead-glazed with iron on the exterior—was made at the Bell Pottery in Waynesboro during the mid 1800s and is stamped JOHN BELL on the base. It is the first time a small pitcher has been offered as part of the center's Bell Family Reproduction series.
